

EXTENDED PROJECT VALUATION FORM

(REV. 1.0)

1. About the project

1.1. Subject to valuation:

- | | |
|--|---|
| <input type="checkbox"/> cables/harness/wiring | <input type="checkbox"/> assembly / manufacture |
| <input type="checkbox"/> packaging | <input type="checkbox"/> sortation |
| <input type="checkbox"/> quality control | <input type="checkbox"/> labelling |
| | <input type="checkbox"/> other _____ |

1.2. Industry/application

(...in which the harness/cable/product will be used - it will help us to choose materials and solutions)

- | | |
|--|---|
| <input type="checkbox"/> consumer electronics | <input type="checkbox"/> aviation |
| <input type="checkbox"/> industrial electronics | <input type="checkbox"/> automotive |
| <input type="checkbox"/> industry | <input type="checkbox"/> rail transport |
| <input type="checkbox"/> IT / telecommunication | <input type="checkbox"/> medical |
| <input type="checkbox"/> sources of alternative energy | <input type="checkbox"/> your sector: _____ |

1.3. Environmental requirements

(Please specify the requirements for cable/harness/subassembly such as temperature / oil / chemical / mechanical resistance etc.)

- | | |
|--|--|
| <input type="checkbox"/> mobile work | <input type="checkbox"/> UV |
| <input type="checkbox"/> fixed / sporadic movement | <input type="checkbox"/> chemicals |
| <input type="checkbox"/> temperature: from _____ to _____ °C / °F | <input type="checkbox"/> other _____ |
| <input type="checkbox"/> oil-resistance | _____ |
| <input type="checkbox"/> flammability | _____ |
| <input type="checkbox"/> UL94-V0 <input type="checkbox"/> UL94-V1 <input type="checkbox"/> UL94-V2 | <input type="checkbox"/> irrelevant for the evaluation |

1.4. Required certificates, standards and testing

(Please tick and if possible specify for which subassemblies or whole projects)

- | | |
|--|---------------------------------------|
| <input type="checkbox"/> VDE | <input type="checkbox"/> RoHS |
| <input type="checkbox"/> MIL-DTL-26482 | <input type="checkbox"/> MIL-DTL-5015 |
| <input type="checkbox"/> EU origin | |
| <input type="checkbox"/> other: _____ | |
| _____ | |
| _____ | |

1.5. Size of the project

(Please specify the minimum monthly or annual requirement if annual production is foreseen)

- prototype: _____ pcs to _____ pcs
- serial production: _____ pcs to _____ pcs
 - weekly delivery: _____ pcs to _____ pcs
 - monthly delivery: _____ pcs to _____ pcs
 - quarterly delivery: _____ pcs to _____ pcs

1.6. Threshold / price target

(price per piece above which our offer will not be satisfactory)

- the expected price: _____ PLN / piece
- _____ EUR / piece
- _____ USD / piece

1.7. Offer time

(the latest date on which Kabel-Link's offer will be relevant to your project)

- the final deadline for submission of tenders: _____ - _____ - _____ DD-MM-RRRR

1.8. The validity of the offer

(Please specify the estimated duration of the contract, project, etc.)

- a contract for: _____ months
- _____ years

1.9. Other

(Your comments, observations and additional information not covered by the form)

1.10. Tools and equipment

(Please specify whether the production should be based on the equipment provided by the customer or on the equipment provided by Kabel-Link)

- customer's tools and equipment (equipment entrusted by the customer)
- tools and equipment from Kabel-Link (technology based on Kabel-Link equipment)

1.11. Attachments

(Drawings, RFQs, technical data, catalogue notes, design photographs)

- drawings
- models
- materials
- pictures
- RFQ

2. *Material:*

Customer's material

(the material is purchased and supplied by the customer)

Material from Kabel-Link

(purchase and selection of materials in the obligation of Kabel-Link)

(if part of the material is delivered by the customer, part by Kabel-Link, tick both of them)

Acceptance of substitutes

(if alternatives have already been selected, please indicate them if not already stated in the documentation)

(if only some items can be replaced by a replacement, please specify)

Only the materials specified in the project

3. *Transport:*

EXW valuation **valuation with transport** **statement of EXW and incl. transport**

(EXW - collection from the premises of Kabel-Link in the obligation of the customer)

(quotation with transport - final price will include transport/free house)

The method of packaging and delivery :

(Please specify the packaging method, if already indicated)

sack

carton

collective carton

pallet

box

equipments delivered by the customer

other: _____

Delivery address

(Domestic (Polish territory) or foreign address, if foreign: full address, region)

Country:

City:

Region:

Postal code:

interval of dispatch batches

(if you care about specific delivery dates, please indicate or specify the intervals at which the shipment is to take place)

4. Legend:

1. The form was created because we value you and our time.
2. Please fill in the form manually or by "Fill in and sign" in your Adobe PDF browser.
3. The form may be submitted in three ways:
 - add as an appendix in the "Cooperation" section at the bottom of the page.
 - submit on: tech@kabel-link.pl
 - send or deliver to the address:

*Kabel-Link, engineer Dawid Matych
Królowej Jadwigi 28 box 5 street
78-200 Białogard
Zachodniopomorskie Voivodeship
Poland*

4. If any of the points are unclear or ambiguous in the case of your project, please skip it or add the necessary option.
5. The form is indicative only. The more information we receive, the more precise and faster we will assess the technological and price capabilities of your inquiry.
6. The form does not meet your needs for contact? Call (+48) 7-3333-444-5 and make an appointment.
7. We treat all data provided to Kabel-Link as confidential. We protect your documents and thoughts from competition.

Kabel-Link is the quality that comes from passion.
